ITEM 4 – ADVISORY BUSINESS

4a: Firm Description

Milestone Financial Advisors was established in April 2007 by Aaron Winer. Our main office is located in San Francisco, California.

4a1: Principal Member

Aaron Winer, President: Mr. Winer may be contacted by email at aaron@milestoneadvice.com or by telephone at (415) 921-9160.

4b: Types of Advisory Services

Milestone Financial Advisors offers a variety of investment advisory services to our clients. We work with our clients to identify their investment goals and objectives as well as risk tolerance in order to create an initial portfolio allocation designed to complement their clients' financial goals and objectives. We may create a portfolio, consisting of, but not limited to individual stocks or bonds, exchange traded funds, no-load funds and/or load-waived funds (front-end commissions will not be charged).

Each portfolio will be initially designed to meet a particular investment goal, which Milestone Financial Advisors has determined to be suitable to our client's circumstances. Once the appropriate portfolio has been determined, we will review the portfolio and rebalance the account based upon our client's individual needs, stated goals and objectives. Milestone's strategy, generally, will be to seek to meet client investment objectives while providing clients with access to personal advisory services.

Milestone Financial Advisors offers financial planning services for our clients. We will prepare a written financial plan for all financial planning clients. The plan considers all of your assets, liabilities, goals and objectives and includes gathering all information necessary to provide you with appropriate and agreed upon services, which may include one or more of the following:

- Investment Planning
- Investment Policy Statements
- Financial Independence
- Retirement Planning
- Capital Needs Analysis (Goal Funding)
- Education Planning
- Financial Position

You are encouraged to review your plans on a regular basis.

Financial Planning includes, in all or part, but is not limited to, the preparation of a financial plan by an Investment Advisor or an associated person of an Investment Advisor for an investment advisory client which may include a state or tax planning recommendation, an annual or periodic review of a financial plan, the management and/or monitoring of a client's investments under a financial plan, a provision of information and/or advice to a client regarding the purchase and/or sale of securities, real estate, insurance contracts, annuities contracts, or any types of real or personal property under a financial plan.

4c: Client Tailored Relationships and Restrictions

As a fiduciary, Milestone Financial Advisors always acts solely in your best interests. Your portfolio is customized based on your investment objectives. In addition to our professional recommendations, you may make requests or make suggestions regarding the investments made in your portfolio.

Similarly, you are under no obligation to act upon Milestone Financial Advisors' or associated person's recommendations. If you elect to act on any of the recommendations, you are under no obligation to effect the transaction through Milestone or its associated person when the person is an agent with a licensed broker-dealer or through any associate or affiliate of such person.

4d: Wrap Fee Program

Milestone Financial Advisors does not sponsor nor provide portfolio management services to a wrap fee program.

4e: Assets under Management (AUM)

Milestone Financial Advisors, as of December 31, 2019, has \$46,000,000 in non-discretionary reportable Assets under Management.

ITEM 5 – FEES AND COMPENSATION

5a: Fee Schedules

Investment Management Fees

Assets Under Management	Annual Fee (%)
Less than \$1,000,000	1.00%
\$1,000,001 to \$2,000,000	0.85%
\$2,000,001 to \$4,000,000	0.65%
\$3,000,001 and above	0.45%

A minimum annual fee for financial planning and/or asset management service is \$2,000.00. The above fees may be negotiable in special circumstances.

For purposes of determining value, securities and other instruments traded on a market for which actual transaction prices are publicly reported are valued at the last reported sale price on the principal market in which they are traded.

The fee includes the time and activities necessary to work with your attorney and/or accountant in reaching agreement on solutions, as well as assisting them in implementation of all appropriate documents. We are not responsible for attorney or account fees charged to you as a result of the above activities.

Compensation for our services will be calculated in accordance with what is set in the clients agreement. We may modify the terms of any agreement by written changes submitted to the client for signature. All Investment Advisors are required to disclose to their clients that lower fees for comparable services may be available from other sources.

Financial Planning Fees

Financial planning services/projects are performed on a fixed fee basis only; the minimum annual fixed fee is \$2,000.

5b: Fee Payments Options

Investment Management Fees

Milestone Financial Advisors fees are paid from your account by the custodian when we submit an invoice to them. If there is insufficient cash in your account to pay your fees, an equal balance of securities in your portfolio may be sold to pay our fee. Copies of the fee invoices will be mailed to client as required. Client may be required to pay, in addition to Milestone's fee, a proportionate share of any mutual fund's fees and charges.

Clients will receive a statement from advisor. The statement will include an itemization of the fee, the formula to calculate the fee, the value of assets under management on which the fee is based and the time

period covered by the fee. We strongly urge you to compare this statement with the quarterly statement you receive from your custodian.

Financial Planning Fees

Services performed on a fixed fee basis require a retainer equal to 50% of the fixed fee. The remaining balance will be due within 30 days of service. All invoices are due within 10 days of invoice.

5c: Third Party Fees

You are responsible for the payment of all third-party fees (i.e. custodian fees, mutual fund fees, transaction fees, etc.). Those fees are separate and distinct from the fees we charge.

All brokerage commissions, stock transfer fees, and other similar charges incurred in connection with transactions for the account will be paid out of the assets in the account and are in addition to the investment management fees paid to us. While we take measures to ensure the fees charged are accurate, it is your responsibility to ensure the amount of fee charged is correct. In addition to statements sent by us, you will receive statements directly from the custodians, mutual funds or other investments you hold. We strongly urge you to compare these statements for accuracy.

5d: Fee Payments

Investment Management Fees

Milestone Financial Advisors fees are deducted electronically from client accounts except where client indicates preference for quarterly invoicing, in which case payment is due within 10 days from the date of the invoice. The fee will be equal to the agreed upon rate per annum, times the market value of the account, divided by the number of days in the agreed upon year and multiplied by the number of days in the quarter. The market value will be construed to equal the sum of the values of all assets in the account, not adjusted by any margin debit. Fees for partial quarters at the commencement or termination of this Agreement will be billed or refunded on a pro-rated basis contingent on the number of days the account was open during the quarter. Quarterly fee adjustments for additional assets received into the account during a quarter or for partial withdrawals will also be provided on the above pro rata basis.

Financial Planning Fees

Services performed on a fixed fee basis require a retainer equal to 50% of the fixed fee. The remaining balance will be due within 30 days of service. All invoices are due within 10 days of invoice.

For California Residents: Subsection (j) of Rule 260.238, California Code of Regulations requires that all investment Advisors disclose to their clients that lower fees for comparable services may be available from other sources. Pursuant to California Rule 260.235.2, if a conflict exists between the interests of the Advisor or its associated persons and the interest of the client; the client is under no obligation to act upon this Advisor's or associated person's recommendations. If the client elects to act on any of the recommendations, the client is under no obligation to effect the transaction through the advisor or its associated person when the person is an agent with a licensed broker-dealer or through any associate or affiliate of such person.

5.d.1: Termination

When an agreement is terminated, we will refund any pre-paid, unearned fees based on the number of days remaining in the quarter after termination. Refunds will be made within 30 calendar days of the effective date of termination.

When an agreement is terminated, all assets may need to be transferred from the current custodian. You will be responsible for paying all fees including full quarterly custodial administrative fees, account closure fees, mutual fund fees and all trading costs due to the termination. Custodian may assess additional fees for transfer of illiquid investments. If there

is insufficient cash in the account, the liquidation of some securities may be used to pay the fees. Prior to termination of an agreement, we can provide a good-faith estimate of these fees.

The financial planning relationship may be terminated by the Client at any time with or without cause. Unearned advance payments will be refunded to Client by check payment.

ITEM 8 – METHODS OF ANALYSIS, INVESTMENT STRATEGIES AND RISK OF LOSS

8a: Analysis

Milestone Financial Advisors uses multiple sources of information to obtain analysis and strategies. They include sources such as financial newspapers, financial magazines, research prepared by others, prospectuses, company press releases, annual reports and filings with the SEC.

8b: Investment Strategies

Milestone Financial Advisors utilizes multiple investment strategies, primarily as defined by each client's Financial Planning Agreement and by their Investment Policy Statement, which is reviewed on a periodic basis. Investment advice provided by the firm incorporates Asset Allocation theory, Efficient Market theory, tax efficiency (where required and where possible) and cost efficiency, and avoids the use of market timing and active trading. The firm advises its clients on the relationship between risk and return, and on the prudence of diversification (the use of multiple asset classes with varying levels of correlation to one another) as a risk reduction methodology. Clients should be aware that there is a chance of material risk of loss using any of these strategies.

8c: Risk of Loss

All investments include a risk of loss. In addition, as recent global and domestic economic events have indicated, performance of any investment is not guaranteed. As a result, there is a risk of loss of the assets we manage that may be out of our control. We use our best efforts and expertise to manage your assets. However, we cannot guarantee any level of performance or that you will not experience financial loss.

Milestone Financial Advisors will use our best judgment and good faith efforts in rendering services to you. We cannot warrant or guarantee any particular level of account performance, or that the account will be profitable over time. Not every investment decision or recommendation made by us will be profitable. You assume all market risk involved in the investment of account assets under the Investment Advisory Agreement and understand that investment decisions made for this account are subject to various market,

currency, economic, political and business risks. Except as may otherwise be provided by law, we will not be liable to you for (a) any loss that you may suffer by reason of any investment decision made or other action taken or omitted in good faith by Milestone with that degree of care, skill, prudence and diligence under the circumstances that a prudent person acting in a fiduciary capacity would use; (b) any loss arising from our adherence to your instructions; or (c) any unauthorized act or failure to act by a custodian of your account. Nothing in this document shall relieve us from any responsibility or liability we may have under state or federal statutes.

Milestone Financial Advisors has adopted a Code of Ethics that governs a number of potential conflicts of interest we have when providing our advisory services to you. This Code of Ethics is designed to ensure we meet our fiduciary obligation to you and to stress the importance of a culture of compliance within our firm.

An additional benefit of our Code of Ethics is to detect and prevent violations of securities laws, including our obligations we owe to you.

Milestone Financial Advisors' Code of Ethics is comprehensive, is distributed to each employee at the time of hire, and annually thereafter (if there are changes). We also supplement the Code of Ethics with annual training and on-going monitoring of employee activity. A complete copy of our Code of Ethics will be supplied to you, free of charge, if you request it.

Milestone Financial Advisors' Code of Ethics includes the following:

- Requirements related to the confidentiality of your personal, business and financial information
- Prohibitions on insider trading (if we are in possession of material, non-public information)
- Reporting of gifts and business entertainment
- Pre-clearance of employee and firm transactions
- Reporting (on an on-going and quarterly basis) all personal securities transactions (what we call "reportable securities" as mandated by regulation)
- On an annual basis, we require all employees to re-certify to our Code of Ethics, identify members of their household and any account to which they have a beneficial ownership (they "own" the account or have "authority" over the account), securities held in certificate form and all securities they own at that time

11b, c & d: Participation or Interest in Client Transactions

Milestone Financial Advisors, or its employees, may buy and sell some of the same securities for our own accounts that we buy and sell for our clients. We will always buy or sell from our clients' accounts before we buy or sell from our accounts. In some cases Milestone, or its employees, may buy or sell securities for our own accounts and not for clients' accounts, as it may not meet the objectives or plans for the client.

Milestone Financial Advisors will always maintain full disclosure with our clients so that you can make informed decisions. We will always evaluate our activity from the view of our clients to ensure that any and all required disclosures are made. For example, we will disclose anything that would cause you to be unfairly influenced to make any decision regarding actions or inactions in your account.

For California Residents: Milestone Financial Advisors adheres to the California Code of Regulations, Title 10 Section 260.238 (k), (1), (2) and (o) which prohibits investment advisers from:

(k) Failing to disclose to a client in writing before entering into or renewing an advisory agreement with that client any material conflict of interest relating to the adviser, its representatives or any requires that of its employees, which could be reasonably expected to impair the rendering of unbiased and objective advice including:

(1) Compensation arrangements connected with advisory services to clients which are in addition to compensation from such clients for such services; and

(2) Charging a client an advisory fee for rendering advice without disclosing that a commission for executing securities transactions pursuant to such advice will be received by the adviser, its representatives or its employees, or that such advisory fee is being reduced by the amount of the commission earned by the adviser, its representatives or employees for the sale of securities to the client.

(o) Making any untrue statement of a material fact or omitting a statement of material fact necessary in order to make the statements made, in light of the circumstances under which they are made, not misleading in the solicitation of advisory clients.

ITEM 12 – BROKERAGE PRACTICES

12a: Selecting Brokerage Firms

As part of our services, Milestone Financial Advisors will recommend a broker-dealer. We have selected our broker-dealers based on price, reliability, speed of processing, tools and “best execution” in addition to other considerations. And while you are not required to effect transactions through any broker-dealer recommended by us, we feel we have made our selections based on a totality of benefits they offer.

Milestone Financial Advisors may purchase software, tools, training programs or seminar services from our broker-dealer. Additionally, broker-dealers may provide services, tools or other non-financial benefits to us as a benefit for using the broker-dealer’s services. However, we endeavor at all times to put the interests of our clients first. You should be aware, however, that the receipt of the types of benefits discussed above can create a potential conflict of interest by influencing our choice of a broker-dealer.

To avoid creating a possible conflict of interest in recommending broker-dealers, we have established the following restrictions in order to ensure its fiduciary responsibilities:

- Milestone adheres to our Code of Ethics as outlined in Item 11 above.
- If Milestone receives separate compensation for transactions, we will fully disclose them.
- Milestone emphasizes the unrestricted right of you to select and choose your own broker or dealer.
- Milestone will always act in accordance with all applicable federal and state regulations governing registered investment advisory practices.

12.b: Sales Aggregation

Because of the nature of our individualized services, Milestone Financial Advisors does not generally aggregate (or bunch) trades when executing transactions. Bunching is generally done in order to realize more effective trade execution and the cost efficiencies that come from executing larger order sizes. Therefore, fees associated with services may be higher or lower than may be available through other financial services providers. However, Milestone acknowledges our fiduciary responsibility to provide best execution as can reasonably be expected under the circumstances available. You are encouraged to discuss any questions that may arise regarding investment policies throughout the course of engagement with us.

The client understands that SIPC provides only limited protection for the loss of property held by a broker-dealer. As a fiduciary, Milestone will always act in the client's best interests and in doing so, the above does not limit or modify that duty to our clients. Custodial statements will include fees charged by Milestone. We strongly urge you to review the investment advisory fees contained in the custodial statement for accuracy.
